Repair Work

Devil's Slide (post mile 39.14)

- Operations to drill and install 20 feet long rock dowels continued to-day.

Drilling and rock dowel installation

- Rebar installation for one of the bracing walls at road level continues. The tubes are pass throughs for 100 feet long tie back anchors.

Whaler wall construction showing pass throughs for tie back anchors.

- Crews continued to prepare the area for bracing walls below the road.

Excavation work preparing for whaler wall construction below the road.

Traffic

- Driving times for Highway 92 are now available on <http://511.org>. Click on the "Devil's Slide Info" link on the right hand side of the home page. Travel times for Highway 1 between Montara and Half Moon Bay will be available soon.
